

April 21, 2020

To Hokkaido University Students,

Due to the spread of infection of COVID-19, Japan declared a nationwide state of emergency on April 16, and with that, Hokkaido Government also declared a state of emergency.

In light of this circumstance, in order to ensure students' health and safety, Hokkaido University has established the "Hokkaido University's Business Continuity Plan to prevent the spread of infection of COVID-19 (BCP)", and we declared "Level 3 (High)" on April 20. Therefore, for the time being, please take the following measures.

Important educational information will be posted on the University's website as needed, so please check it regularly.

### **1. Prohibition students from entering the campus and restraint of regional migration**

- ◇ Students are not allowed to enter the campus except when it is instructed or permitted by the University.
- ◇ Please refrain from going to other prefectures or other areas in Hokkaido. For students who are currently staying outside of Hokkaido, please restrain yourself from coming to Hokkaido.

### **2. General Education Courses (First Year Education Division) in the first semester of the fiscal year 2020**

General Education Courses (First Year Education Division) will be provided on online only.
